We are reviving some of our classic trips. The beloved Grand Canyon will see our smiling faces, as will the beautiful Rio Grande and the cliffs of Colorado. We are also sending a new mountain biking trip to Fruita, Colorado, and it is sure to be incredible. Remember, all beginners are welcome on trips!

On February 4th at 7:30 in the IUOA classroom we are also featuring an informational meeting! Come in and meet some of the leaders of these trips. This is a no pressure session designed to tell you about our trips, where we are going and what we are doing.
