TOLEDO BEND

Canoeing

MARCH 12-19

$575

Join us as we travel to uncharted waters. IUOA will make its first voyage on the great Toledo-Bend Reservoir in the Sabine National Forest. We will be traversing the shoreline of the lake, paddling canoes to new campsites each night. When we land on the shore to camp, we can explore the deep pineywoods that East Texas offers. Informational Meetings January 13th and February 9th, 7 p.m.
